Meeting called for the purpose of selecting the Saltsman award winner as we had a nomination that was disqualified.

3 nominations were brought forward, and after much discussion a motion was made by Commissioner Johnson that Lucille Snyder of Kidz Konnection would be the winner. The motion was seconded by Commissioner Lambdin. All were in favor.

Another discussion entailed the idea of renaming our scholarship in memory of Michael Parker and giving him a posthumous Saltsman award for his work in the area of disabilities.

Commissioner Jadoon suggested we give 3 Saltsman awards this year, but some thought that was too many, that we could do 2 in order to acknowledge M. Parker.

A motion was made by Commissioner Jadoon to give a Saltsman award in memory of M.Parker and also announce the renaming of the scholarship for him.

We will meet for the Breakfast at 8am on 1-21-19.
